DISPATCH

FHHA-2583

DATE JAN 19 1958

TO : See Distribution

FROM : Senior War Planner, ☐ ☐

SUBJECT : Evacuation of FJHUMMING and DTPILLAR Personnel

ACTION REQUIRED : As per paragraphs 1, 2, and 3

REFERENCE(S) : FHHA-2531, 25 September 1958

1. Headquarters has indicated a BGACTRESS expressed interest in the current status of PACOM/KUBARK country planning for evacuation of all U.S. and selected key indigenous personnel of FJHUMMING, all U.S. personnel of DTPILLAR, and the BGACTRESS sponsored personnel who may possibly be present in the area at the time. Further, Headquarters desires that appropriate ☐ discuss these evacuation methods and procedures, and changes thereto as they occur with representatives of DTPILLAR and FJHUMMING.

2. Presently, DTPILLAR has representatives located in Burma, Cambodia, Hong Kong, Japan, Korea, Laos, Malaya, Singapore, Philippines, Taiwan, Thailand, and Vietnam. Although DTPILLAR is not presently in Indonesia, there is a good possibility that an office there will be reopened in 1959 or 1960. Arrangements for Indonesia should be discussed with the DTPILLAR representative for Indonesia who is now in Singapore. There is also a possibility that another office will be opened in Okinawa within the next year. The COS in each country should consider the desirability of making provision for certain key indigenous personnel or key contacts of DTPILLAR who might be of assistance in covert activity of a psywar or other nature after evacuation. Presumably, arrangements should be made to recruit such persons at some time in advance of a crisis situation. The stations' comments on this point will be appreciated.

3. Please keep SWPPAC informed as to any action
